Winemaking: We have been crafting Sauvignon Blanc since 1982. The wine is an elegant blend of individual vineyard lots from throughout the valley. Focusing on grapes with citrus flavors, we source from various microclimates, including warmer vineyards planted on alluvial fans. Barrel fermentation and the addition of Sémillon result in a unique, full-flavored wine.

Tasting Notes: The aromas highlight citrus and passion fruit, underscored by pineapple, apple and lychee. The tropical aromas are echoed on the palate and given dimension by the Semillon, which helps to showcase the guava, passion fruit and pineapple flavors, alongside apple, vanilla and key lime pie.
