Winemaking: We have been crafting Sauvignon Blanc since 1982. The wine is an elegant blend of individual vineyard lots from throughout the valley. Focusing on grapes with citrus flavors, we source from various microclimates, including warmer vineyards planted on alluvial fans. Barrel fermentation and the addition of Sémillon result in a unique, full-flavored wine.	Tasting Notes: The aromas are rich and layered with elements of pineapple, guava, peach and lemon zest. On the palate, the entry is crisp and inviting with good acidity supporting flavors of lemon meringue, grapefruit, pear and flint. The addition of Sémillon accentuates the wine’s tropical notes with subtle oak adding nuance and dimension.
