innovation.

Introducing the new look of

PARADUXX
NAPA VALLEY

INTRODUCING THE NEW PARADUXX LABEL.

Designed with a simple set of letter-inspired names for each of Paraduxx's renowned Napa Valley blends, each letter corresponds to the blend's defining grape.

Paraduxx Z Blend – Our classic, flagship Napa Valley Zinfandel based blend, has been renamed the “Z” Blend. While the name is different, this is the same expressive, food-friendly wine fusing Zinfandel with the grandeur of Cabernet Sauvignon embracing the best of both varietals.

Paraduxx C Blend – Reversing our traditional Paraduxx blend, Cabernet takes the lead in the “C” blend satisfying the insatiable market demand for Cabernet-based Napa Valley blends. Blended with robust Zinfandel this wine is a stylish addition to our portfolio worthy of a Paraduxx label.
