

MT. HARLAN ESTATE VINEYARDS

Mt. Harlan Vineyards are located in the Gavilan Mountains 25 miles east of the Monterey Bay. The site was chosen for its limestone soils and ideal climate. At an average elevation of 2,200 feet it is among the highest and coolest vineyard sites in California. Today, these organic-certified vineyards are recognized as some of the New World's most treasured Pinot Noir sites, each renowned for producing distinctive wines of uncommon purity, elegance and aging potential.
