DUCKHORN VINEYARDS

Founded by Dan and Margaret Duckhorn in 1976, Duckhorn Vineyards has been crafting classic Napa Valley wines for nearly 40 years. This winemaking tradition has grown to include seven meticulously farmed Estate vineyards, located throughout the various microclimates of the Napa Valley. Focused on quality and consistency, these Estate vineyards are an essential element in making wines of distinction. Pioneering and perfecting Merlot as a premium varietal, Duckhorn Vineyards now makes several elegant Merlot and distinctive Cabernet Sauvignon bottlings that showcase its premium vineyard sites. In addition, the winery is known for its acclaimed Sauvignon Blancs. With the 2006 vintage, Duckhorn Vineyards unveiled The Discussion, a Cabernet Sauvignon-based blend representing the pinnacle of the Duckhorn Vineyards estate vineyards. In 2014, we introduced our first Napa Valley Chardonnay.

PARADUXX

Since being founded in 1994, Paraduxx has earned acclaim as the only California winery solely devoted to Napa Valley blends. Winemaker Don LaBorde creates visionary blends that capture the essence of their Napa Valley terroir—wines that are ripe, robust and compelling, but that are also impeccably balanced. To achieve this, Paraduxx combines consummate Napa Valley viticulture with a creative approach to winemaking and blending. The wines in the Paraduxx portfolio are made in a state-of-the-art winery that was unveiled in 2005, and the luxuriously appointed Paraduxx Vineyard House welcomes guests daily for an array of intimate seated tasting experiences.

GOLDENEYE

Goldeneye began making acclaimed Pinot Noirs from its estate winery in the Anderson Valley in 1996. Blending grapes from four Estate vineyards planted to 24 clones of Pinot Noir on 13 different rootstocks, Goldeneye is dedicated to crafting wines of refinement and elegance from a rich palette of terroir-inspired fruit. Reflecting the Mendocino Coast's unique marine influences, sites and soils, these grapes create complex, elegant Pinots. To further enhance natural depth and distinctiveness, only a small percentage of the finest fruit is selected for each vintage, before applying small-lot,

artisan winemaking techniques.

MIGRATION

Since our inaugural 2001 vintage of Anderson Valley Pinot Noir, Migration has developed a refined and compelling style that balances vibrancy and finesse. In the years since, Migration has taken wing beyond our Anderson Valley origins as we have explored Pinot Noir and Chardonnay from California's finest cool-climate appellations, most notably the legendary Russian River Valley. Today, Migration works with a handful of acclaimed growers to produce a small portfolio of sought-after Chardonnays and Pinot Noirs, including our flagship Russian River Valley wines, and our coveted vineyard-designates. These sophisticated, Burgundian-varietal wines highlight lush fruit, bright acidity and balanced oak influence.

DECOY

With a reputation for delivering great quality at a remarkable price, Decoy has established a loyal following for our distinctive style, which emphasizes ready-upon-release wines. The Decoy lineup includes a Sonoma County appellation-designated Red Blend, Cabernet Sauvignon, Merlot, Zinfandel, Pinot Noir, Chardonnay and Sauvignon Blanc, as well as a California Rosé, all of which highlight Decoy's commitment to producing attractively priced wines from exceptional vineyard sources. Because of Duckhorn Wine Company's unique structure, Decoy benefits from the talent, experience and expertise of our

Duckhorn Vineyards, Goldeneye, Paraduxx and Migration winemakers—each of whom has a unique area of specialization. We also have our own dedicated winemaker, Tyson Wolf, who is an expert of multiple grape varieties.

CANVASBACK

Though Red Mountain is one of the smallest appellations in Washington State, it is one of the most widely renowned. With ideal soils, a perfect sloping southwestern exposure, and a dry desert climate, Red Mountain has done more than just establish itself as perhaps the finest region in Washington for growing Cabernet Sauvignon; it is rapidly earning a reputation for producing some of the most compelling and distinctive Cabernet Sauvignons in the world. In 2012, building on our 35-year history of making globally acclaimed Cabernet Sauvignons, Duckhorn Wine Company came to the mountain to make Canvasback Red Mountain Cabernet Sauvignon.
