DUCKHORN®

PORTFOLIO

THE DUCKHORN PORTFOLIO has set the standard for American fine wine for four decades. The acclaimed Duckhorn Portfolio includes Duckhorn Vineyards, Paraduxx, Goldeneye, Migration, Decoy, Canvasback, Calera and Kosta Browne, each with its own dedicated winemaker. With more than 850 acres of renowned estate vineyards, along with grapes from the finest growers, each winery has a canvas of lots from which to blend its wines. Focused on optimal grape selection, innovative winemaking techniques and a premium barrel-aging program, the Duckhorn Portfolio is founded on a pioneering spirit and unwavering commitment to quality. The only American wine portfolio in this century with two *Wine Spectator* “Wine of the Year” winners in its portfolio, the Duckhorn Portfolio wines are available throughout the United States, on five continents, and in over 50 countries.

DUCKHORN VINEYARDS

Founded by Dan and Margaret Duckhorn in 1976, Duckhorn Vineyards has been crafting classic Napa Valley wines for nearly 40 years. This winemaking tradition has grown to include seven meticulously farmed Estate vineyards, located throughout the various microclimates of the Napa Valley. Focused on quality and consistency, these Estate vineyards are an essential element in making wines of distinction. Pioneering and perfecting Merlot as a premium varietal, Duckhorn Vineyards now makes several elegant Merlot and distinctive Cabernet Sauvignon bottlings that showcase its premium vineyard sites. Duckhorn Vineyards has been named one of the “Top 100 Wineries” in the world seven times by Wine & Spirits, and the 2014 Duckhorn Vineyards Napa Valley Merlot Three Palms Vineyard was named the “2017 Wine of the Year,” topping *Wine Spectator*’s annual list of the world’s “Top 100 Wines.” The Duckhorn Vineyards winemaking program is led by acclaimed Winemaker Renée Ary, who is only the fourth winemaker in the winery’s storied history.

PARADUXX

Since being founded in 1994, Paraduxx has earned acclaim as the only California winery solely devoted to Napa Valley blends. Winemaker Don LaBorde creates visionary blends that capture the essence of their Napa Valley terroir—wines that are ripe, robust and compelling, but that are also impeccably balanced. To achieve this, Paraduxx combines consummate Napa Valley viticulture with a creative approach to winemaking and blending. The wines in the Paraduxx portfolio are made in a state-of-the-art winery that was unveiled in 2005, and the luxuriously appointed Paraduxx Vineyard House welcomes guests daily for an array of intimate seated tasting experiences.

GOLDENEYE

Goldeneye began making acclaimed Pinot Noirs from its estate winery in the Anderson Valley in 1996. Guided by Winemaker Michael Accurso, Goldeneye is dedicated to crafting wines of refinement and elegance from a rich palette of terroir-inspired fruit that includes four Estate vineyards planted to 24 clones of Pinot Noir on 13 different rootstocks. Reflecting the Mendocino Coast’s unique marine influences, sites and soils, these grapes create complex, elegant Pinots. To further enhance natural depth and distinctiveness, only a small percentage of the finest fruit is selected for each vintage, before applying small-lot, artisan winemaking techniques.

MIGRATION

Since our inaugural 2001 vintage of Anderson Valley Pinot Noir, Migration has developed a refined and compelling style that balances vibrancy and finesse. In the years since, Migration has taken wing beyond our Anderson Valley origins as we have explored Pinot Noir and Chardonnay from California's finest cool-climate appellations, most notably the legendary Sonoma Coast. Today, guided by Winemaker Dana Epperson, Migration works with a handful of acclaimed growers to produce a small portfolio of sought-after Chardonnays and Pinot Noirs, including our flagship Sonoma Coast wines, and our coveted vineyard-designates. These sophisticated, Burgundian-varietal wines highlight lush fruit, bright acidity and balanced oak influence.

DECOY

Established in 1985, Decoy is recognized for its commitment to producing attractively priced wines from exceptional vineyard sources, including Decoy's own Ridgeline and Brownell Estate vineyards in the Alexander Valley. Over the years, the Decoy lineup has grown to include a Sonoma County appellation-designated Red Blend, Cabernet Sauvignon, Merlot, Zinfandel, Pinot Noir, Chardonnay and Sauvignon Blanc, as well as a California Rosé. The winemaking program at Decoy is guided by Winemaker Tyson Wolf, who has established expertise working with multiple grape varieties throughout his career. In addition, because of the Duckhorn Portfolio's unique structure, Decoy benefits from the talent and experience of our Duckhorn Vineyards, Goldeneye, Paraduxx and

Migration winemakers—each of whom has a unique area of specialization.

CANVASBACK

In 2012, building on our 35-year history of making globally acclaimed Cabernet Sauvignons, Duckhorn came to Washington State's Red Mountain to make our debut Canvasback Red Mountain Cabernet Sauvignon. Though Red Mountain is one of the smallest appellations in Washington State, it is one of the most widely renowned. With ideal soils, a perfect sloping southwestern exposure, and a dry desert climate, Red Mountain has done more than just establish itself as perhaps the finest region in Washington for growing Cabernet Sauvignon; it is rapidly earning a reputation for producing some of the most compelling and distinctive Cabernet Sauvignons in the New World. Today, Canvasback is guided by Washington native and Red Mountain expert, Brian Rudin, who works alongside famed vineyard manager Dick Boushey to oversee our Longwinds Estate Vineyard.

CALERA

In 1975, legendary vintner and American wine pioneer Josh Jensen founded Calera (Spanish for "lime kiln") high in the remote Gavilan Mountains of California's windswept Central Coast. There, in Mt. Harlan's low-yielding, limestone-rich soils and cool, arid climate, he began planting what would ultimately become six small estate vineyards. Today, these vineyards are recognized as some of the New World's most revered Pinot Noir sites. Under the stewardship of Winemaker Mike Waller, each vineyard is renowned for producing singular wines of uncommon purity, elegance and aging potential. In addition to its beloved single-vineyard wines, Calera partners with some of the top vineyards on California's majestic Central Coast to make Calera's beautiful Central Coast wines, including Pinot Noir, Chardonnay, Viognier and a Vin Gris of Pinot Noir.

KOSTA BROWNE

Founded in 1997, Kosta Browne is one of North America's most revered wineries, recognized for making some of the world's finest Pinot Noirs and Chardonnays. Located in Sebastopol, Sonoma County, and guided by an acclaimed team that includes renowned Winemaker Nico Cueva, Kosta Browne makes appellation and single-vineyard wines from the most coveted cool-climate vineyards across the Russian River Valley, Sonoma Coast, Anderson Valley, Sta. Rita Hills and Santa Lucia Highlands appellations. In addition to partnering with the finest growers in California, Kosta Browne has an estate program that features 170 acres of vineyards through ownership or long-term leases that includes the Cerise Vineyard in Anderson Valley, Keefer Vineyard in the Russian River Valley, and a prized section of the Gap's Crown Vineyard on the Sonoma Coast. Kosta Browne has earned a place on *Wine Spectator's* annual list of the world's "Top 100 Wines" seven times since 2005, including "Wine of the Year" in 2011.
