Wine and Food Complements

At Paraduxx, we are committed to creating innovative, stylish blends that capture the essence of their Napa Valley terroir—wines that are inherently ripe, robust and compelling, but that are also impeccably balanced, with depth, complexity and excellent acidity. As a result, our Paraduxx Proprietary Red Wine has the personality to pair beautifully with a wide range of foods and a variety of the world's cuisines. We have compiled this list of ingredients and menus that complement the distinctive flavors of Paraduxx.
