<p>Winemaking: Over three decades ago, before crafting their first vintage, the Duckhorns and their winemaker had a passionate discussion. Though they debated making a cuvée, they chose to focus on varietal wines. Even so, Duckhorn Vineyards has always remained fascinated by the blend of varietals from Napa Valley. The Discussion represents the pinnacle of the Duckhorn Vineyards portfolio.</p>	<p>Tasting Notes: As compelling as it is complex, this elegant wine effortlessly combines lovely pure fruit flavors with silky tannins and nuanced savory notes. Aromas of red and black currant, acai, strawberry rhubarb and black cherry rise from the glass, along with hints of sweet baking spice, sage, vanilla and fresh-baked pie crust. On the palate, rich, round tannins add depth and sophistication, while aging in French oak imparted a lovely mouth filling creaminess that adds length to a supple and lingering finish.</p>
