Winemaking: Three Palms Vineyard is located on an alluvial fan created by the outwash of Selby Creek. The soil is rocky and well drained, causing the vines to send their roots far, wide, and deep to find the necessary nutrients and water. Our first Merlot from Three Palms was our inaugural 1978 vintage, beginning a tradition of crafting full-bodied wines that reflect the unique terroir of this site.

Tasting Notes: The 2013 growing season yielded a riveting expression of Three Palms Vineyard Merlot, with a rich entry and pure and polished flavors of cherry, cassis, pomegranate, and blackberry. On the palate, these gorgeous fruit elements mingle with complex layers of leather, wet river rock, eucalyptus and black tea. Warm earthy notes finesse the finish while dense, fine-grained tannins provide wonderful length.
