## POINTS

**A compelling wine of its  
region; a delicious, finessed  
expression of a place**

“A faint, intriguing scent of mint and violets leads in this compelling red, a wine drawn from purchased fruit as the Canvasback team waits for its own vineyards to mature. With air, it takes on a dark fruit tone of black plums and cherries, lined with cedar, limned with chalky tannins. Stuffed with good components, this needs time to knit.”
