Winemaking: Blending grapes from three estate vineyards, we are dedicated to crafting wines of refinement and elegance from a palette of terroir-inspired fruit. Reflecting the Mendocino Coast's marine influences, sites and soils, these grapes create sublime and sophisticated Pinot Noir. To enhance depth and complexity, we select a small percentage of the finest fruit for each vintage before applying small-lot winemaking techniques.

Tasting Notes: Goldeneye's estate vineyards yield wines that exude the characteristics of their surroundings. Charming, but with a hint of wildness, plush yet rustic, this captivating Pinot Noir effortlessly balances layers of cherry, ripe cranberry and wild blackberry with notes of leather, earth and spice. Touched with a kiss of the finest French oak, it carries through to a velvety finish that is both long and lush.
