POINTS
Outstanding

“Extremely floral and beautiful with crushed-raspberry and rose-petal aromas. Medium body, super-integrated tannins and a fine texture. It's tight and focused...”

"I'm surprised that there haven't been many imitators of the Cabernet Sauvignon and Zinfandel blends that Paraduxx has pioneered. This is the original, now called by a more complicated name as the portfolio expands. It's got the same appeal as the original, combining Cabernet's weight with Zinfandel's freshness and giving rise to a host of berries and red fruits joined by pie spice and a touch of toffee. When you're thinking Zin but want a little more sophistication, this is a nice turn."
