2017 NAPA VALLEY SAUVIGNON BLANC

91
POINTS

“One of a small handful of benchmark producers of the variety brings us another solid vintage—their 40th harvest, in fact. Some Semillon adds depth to the crisp Sauvignon Blanc fruit, mixing to provide aromas and flavors of melon, citrus, herbs and a touch of oak aging adds creamy texture and a hint of papaya. Add a crisp finish that brings you back to the rim and you know that your trust was well placed. Looking forward to 41!”
